### **Fund An Item**

Last year we asked for your support for a very special project. Generation Joy adopted a rural elementary farm school called Camanga. With your generous donations we were able to purchase much

needed uniforms for every student at Camanga. We also painted and decorated the exterior of the school buildings; we'd love to show you the before and after photos at the auction! This year when we

ask you to raise your bid card, you'll be donating directly to continuing improvements at this school, including classroom equipment, school supplies and teacher training.

### **Travel Team News**

Two teams of volunteers will travel to South Africa in July to distribute educational supplies and comfort items collected during this year's drive at Beaver Lake Middle School. A total of 410 boxes and 80 bikes were collected and will be given directly to school children in Kwa-Zulu Natal.

Thanks to the students, families and staff at Beaver Lake Middle School who continue to show enthusiasm for this project and compassion for kids in South Africa!

We'd also like to thank students at Skyline High School, Tiger Mountain High School, Challenger Elementary, and Wenatchee High School for their contributions to kids helping kids!

### **More Kids Helping Kids!**

Generation Joy's storage container received a facelift on Easter weekend! Thanks to former student traveler, Toby Brown, and his friends and fellow Boy Scouts... we think it looks great!
