December 2012

Generation Joy foundation is dedicated to engaging local students and community members in providing educational resources, funding and basic needs for children in South Africa, regardless of age, gender, religion, ethnicity or income. Generation Joy Foundation ensures a continuing and mutually beneficial relationship between students by connecting the diverse resources of GenJoy's community with the significant educational needs of the South African community.

Happy Holidays From Generation Joy!

Dear Friends of Generation Joy,

We want to wish you and your families a very happy holiday season! As we approach the end of 2012 we reflect upon the impact your support has had on our mission of "kids helping kids". Because of your generosity:

- Thousands of children in rural South Africa have school supplies, books, shoes, sports equipment, bicycles and toys.
- Our scholarship fund has given four students eager for a good education the opportunity to turn their dreams into reality.
- We have adopted a farm school and provided new uniforms, building improvements and educational support for the students and teachers.
- Nearly 60 rural teachers received literacy training.
- We have watched the children in our own community experience the joy and satisfaction of helping others.

If you are thinking of making a charitable donation before the end of the year, please consider a gift to Generation Joy. Make your donation by December 31st and deduct your contribution on this year's tax return. Don't forget to maximize your giving by taking advantage of your company's matching funds program.

Remember, NO donation is too small. Every dollar makes a difference!

If you have already supported us this year with a donation, please accept our deepest thanks. We look forward to continuing our partnership with you in the coming years and hope that your holiday season is a joyous one!

Visit our website at www.genjoy.org for more information about Generation Joy or make a [secure online donation here](#). You may also send a check to:
